

Tilt Switch Assembly

Product Features

- Easy to mount
- Small package size
- IP67 rated
- High current capacity
- Long life
- Extended temp range
- Rugged construction
- Sealed automotive connector

Specifications

Typical operating angle: 7° to 11°
Maximum included angle: 11°
Maximum switch voltage: 240 VDC
Maximum switch current: 11A
Initial contact resistance: 3 milliohms
Stand off voltage: 2500 V
Operating temperature: -38° to 105°C
Typical number of operations: 10,000,000
Switch body length (potted): 1.6875"
Wire type: AWM 3123, 20 AWG silicone jacket
Wire length: *5.000"
Total assembly length: *7.000"
Connector: Delphi 12015792

* Length +/- 0.125"
